

Midwest Harp Festival 2010
Harp Check-Up Afternoon with Peter Wiley, the "Harp Doc"
Saturday, July 17 1:00 - 4:00 PM
ORU Timko-Barton Music Building, Lobby

Information and Registration Form

This workshop is separate from the regular Festival registration
The same festival housing can be extended to include Saturday night if necessary

It's difficult and costly for a teacher or technician to make it to your house on a regular basis, keeping you apprised of your harp's condition. Bring your harp for a check-up and learn hands-on how to perform minor lever adjustments, tune with a tuner, change a string (bass wires included), proper moving techniques, and how to maintain your harp to keep it in perfect condition. If you want any maintenance work done by Peter alone, you must make a reservation before May 31 through the director, Lorelei Barton.

Fees

\$40/harp, Maximum 2 Family Attendees
\$60/harp, Maximum 2 Family Attendees
\$20

Full-time or Morning Activities Festival Registrants
For Others
To observe
